Our Service

We are an independent insurance intermediary, and not an insurer, who acts on our customers' behalf in arranging insurance, including: assessing your insurance needs and recommending policies suitable for you; arranging your insurance cover with insurers to meet our requirements; and helping You with any ongoing changes You have to make. As part of our service, we will assist you with any claim you need to make and tell you what your responsibilities are in relation to making claims.

You should direct any query or question through our normal business channels, such as email, telephone or in office. We do not provide our support via any social media platforms, and may not respond to communications received in this way.

Our Service in relation to the provision of Premium Finance

We are a credit broker, not a lender. We only offer the credit facilities of insurers and/or Close Brothers Premium Finance. We may use providers who will conduct a credit check and share your payment record with other lenders, all of which may be recorded on your credit record. Please contact us if you do NOT consent to a credit check being undertaken, however this may affect our ability to offer instalment facilities to you.

Please Note: Your policy cover will cease if you fail to keep up payments on an instalment agreement or premium finance facility related to it.

In entering into a credit agreement to pay your insurance premium, you give the finance provider the legal Right to cancel your insurance policy on your behalf in the event that you default on the loan, and offset any refunded premium against the outstanding amount owed to them. This means that if you default on your payment terms and the finance provider requests that we cancel your policy, we will do so as your agent.

Information on how we treat Payments you make to us

Under the terms of our agreements with the Insurance companies with whom we place business, we normally receive premiums you pay to us as Agent of the Insurer. All insurance premiums you pay to us are protected in a Statutory Trust Client Account until we pay insurers. We do not pay interest on premiums held in the course of arranging and administering your insurance.

Payment Options

We normally accept payment by cheque or the following credit/debit cards – Visa, Mastercard & Maestro. You may be able to spread your payments through insurers' instalment schemes or a credit scheme, which we have arranged with an established insurance premium finance provider, however rates and acceptance may be subject to a credit check. We will give you full information about your payment options and the appropriate finance agreement when we discuss your insurance in detail.

Are we covered by the Financial Services Compensation Scheme (FSCS)?

We are covered by the Financial Services Compensation Scheme (FSCS). For Commercial customers with less than £1m turnover, insurance advising and arranging is covered for 90% of the claim, without an upper limit. All compulsory insurances (for example, motor insurance and employers' liability insurance), insurance advising and arranging are covered for 100% of the claim, without an upper limit. Further information about compensation scheme arrangements is available from the FSCS.

Our Fees and Charges for the services we provide to you.

Claims

All incidents which could lead to a claim must be reported as soon as practicable. Your insurer's claims contact number is shown in your policy.

Sums Insured and Indemnity Limits

You will be responsible for ensuring that all sums insured and indemnity limits are adequate for the cover requested.

If Buildings cover is included, we have insured the premises based on the buildings sum insured you have declared to us. We recommend that you have a professional valuation of your building to ensure the sums insured are adequate as in the event of a claim, if a property is underinsured, it will result in insurers offering settlement with a proportionate reduction, based on underinsurance.

Average

In the event of under-insurance, Insurers may reduce the amount of any claim settlement in the same proportion as the sum insured bears to the total value of the insured items.

Cancellation of this Agreement

This agreement will remain in force unless cancelled by either party in accordance with the terms below or you have no insurance business placed through us. You may cancel the agreement at any time, subject to notification in writing to our usual office address.

In the event of cancellation, we shall be entitled to retain any commissions and fees earned prior to the date of cessation of the agreement in full. We have the right to cancel this agreement subject to one month notice in writing to your last notified address.

Declarations

Our Service and Obligations to You:

We will conduct a fact-find to evaluate your insurance needs, however you are solely responsible for ensuring that your disclosure obligations to insurers are met. Please refer to 'Your Responsibility to Provide Information' below.

We will act as your agent in sourcing a policy to meet your demands and needs and presenting the information provided by your nominated Insurance Contact in a manner which is clear and accessible to insurers. Where we operate under any delegated authority from insurers we will act as their agent when issuing cover and in handling any claim you may make, and we will always advise you where this is the case.

We will advise and make a recommendation for you after we have assessed your demands and needs. Our advice will be confirmed in a demands & needs and suitability statement, giving the reasons for our recommendation.

We typically offer advice from a range of insurers, representing a fair analysis of the market, which means that we will have compared products from a sufficiently large range of insurance providers in terms of cover, price, quality of service and other relevant features in order to select appropriate policies for you. However, under certain circumstances we may only deal with a limited panel, or single insurer or we may use another, specialist, intermediary to access the insurance product that most suits your needs. We will always inform you where this is the case and we will supply you with a list of the insurers we may and do conduct business with.

We usually receive commission from the insurer, which is taken from the amount you pay, and from the premium finance provider with whom we place your business and, in addition, we will normally make the charges as shown in our Terms of Business Agreement to administer your policy. Prior to the conclusion of each insurance contract, or upon renewal, we will remind you of your right to be advised of the level of commission which we receive from underwriters. You are entitled, at any time, to request information regarding any commission which we may have received as a result of placing your insurance business.

Your Responsibility to Provide Information:

You have a duty under the Insurance Act 2015 to make a fair presentation of the risk to insurers. This duty applies when you take out your insurance cover, throughout the life of your policy, and when you renew your insurance.

This duty includes a need for your nominated Insurance contact to undertake a reasonable search for material information which is known, or ought reasonably to be known, by anyone playing a significant role in making business decisions in your business (such as your company's principals, directors, senior management or shareholders) and staff responsible for arranging or administering your firm's insurance.

You should advise us of any particular concerns which led you to seek insurance cover and any special or unusual facts relating to the risk.

You must ensure that all material statements of fact are substantially correct and not misleading, and any material information which is a matter of expectation or belief (e.g. an estimate or forecast) is provided in good faith.

Failure to disclose any material information or change in circumstances to your insurers which could influence the cost, or their decision to accept your insurance, could mean that your policy could be invalidated or cancelled without refund, or that part or all of a claim may be not be paid. 'Material Information or changes in circumstances' could include your inability to comply with any conditions or warranties applicable to your policy, which should be notified to us immediately.

'Material statements' and 'material information' are information which could influence the judgement of a prudent insurer in determining whether to take on a risk and on what terms.

I / We Confirm we are able to accurately represent our risk information & insurance requirements on behalf of our business in order to gain a quotation.
